OARC SCHOLARSHIP APPLICATION (continued)

ESSAY QUESTIONS (OPTIONAL)

In addition to submitting an application, it would be beneficial (but not required) to include written essays in the following areas:

- Ham Radio License, Interests, and Activities
- Motivation - What motivated you to become a ham? What aspects of ham radio interest you most? What is your current field of study? Why have you chosen this field of study? What would you like to do most for your life's work?
- Activities - Please give some examples of your recent ham radio activities.
- Interests - List any other hobbies, interests, school and/or community activities. Include school, civic and other awards that you have received.
- College / University / Technical School - Discuss the major or degree program you are seeking. For example: Bachelor of Science in Bioinformatics

In order to be considered, applications must be received no later than April 15, 2017 at the following address:

Ozone Amateur Radio Club
P.O. Box 553
Slidell, LA 70459
